

Excelerator High Density MTP Angled Fibre Optic 4 Cassette Patch Panel - Empty

X High Density - 98 Fibres Maximum

X Drop Down Front Panel

X Sliding Panel for Access

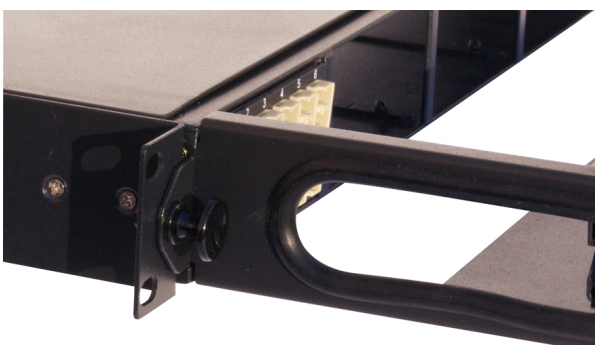

X 25 Year System Warranty Available

Features

- High Density - 98 Fibres Maximum
- Sliding Panel for Access
- Accepts up to 4 cassettes
- Drop Down Front Panel
- 25 Year System Warranty Available
- Large Labeling Field

Product Overview

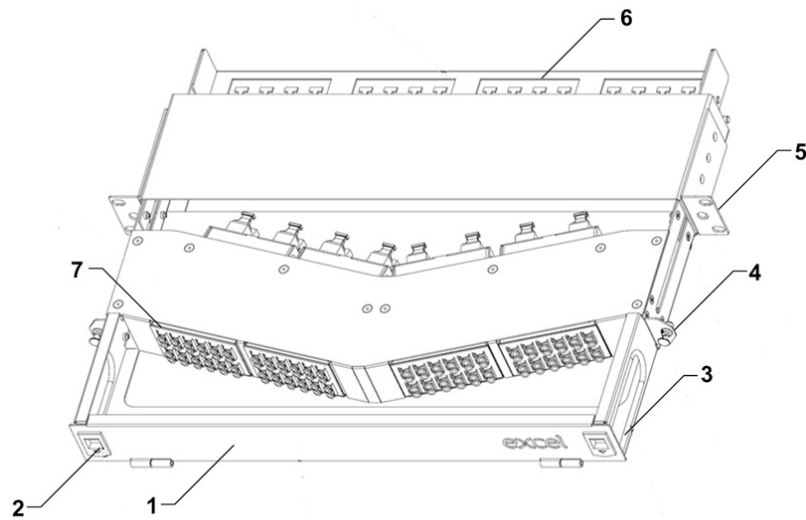

Excelerator 1U High Density Angled MTP Cassettes Patch Panel offers an expandable fibre optic deployment. The front drop down panel offers protection to the installed patch cords and also a large labeling field. Further, panel identification labeling, may be fixed to the drop down panel in the closed position. The panel is supplied with a card label that can be replaced with the users own label or adhesive engraved label as preferred. This 1U patch panel is mounted in standard 19" profiles using cage nuts and screws. Once mounted the panel can be pulled forward by releasing two side catches to facilitate easy access to the LC connectors in the cassettes. Up to 4 cassettes may be mounted in this patch panel this presents a maximum of 98 fibre cores in LC Duplex connectors (48 LC Duplex Connectors). The angle mounting of the cassettes reduces the bend on the connected fibre cords. Multimode and Singlemode cassettes are available in either 12 or 24 core configurations. The cassettes are inserted in the front and fixed at the rear ensuring a secure mounting.

Panel in closed position

Panel in open position (pulled forward)

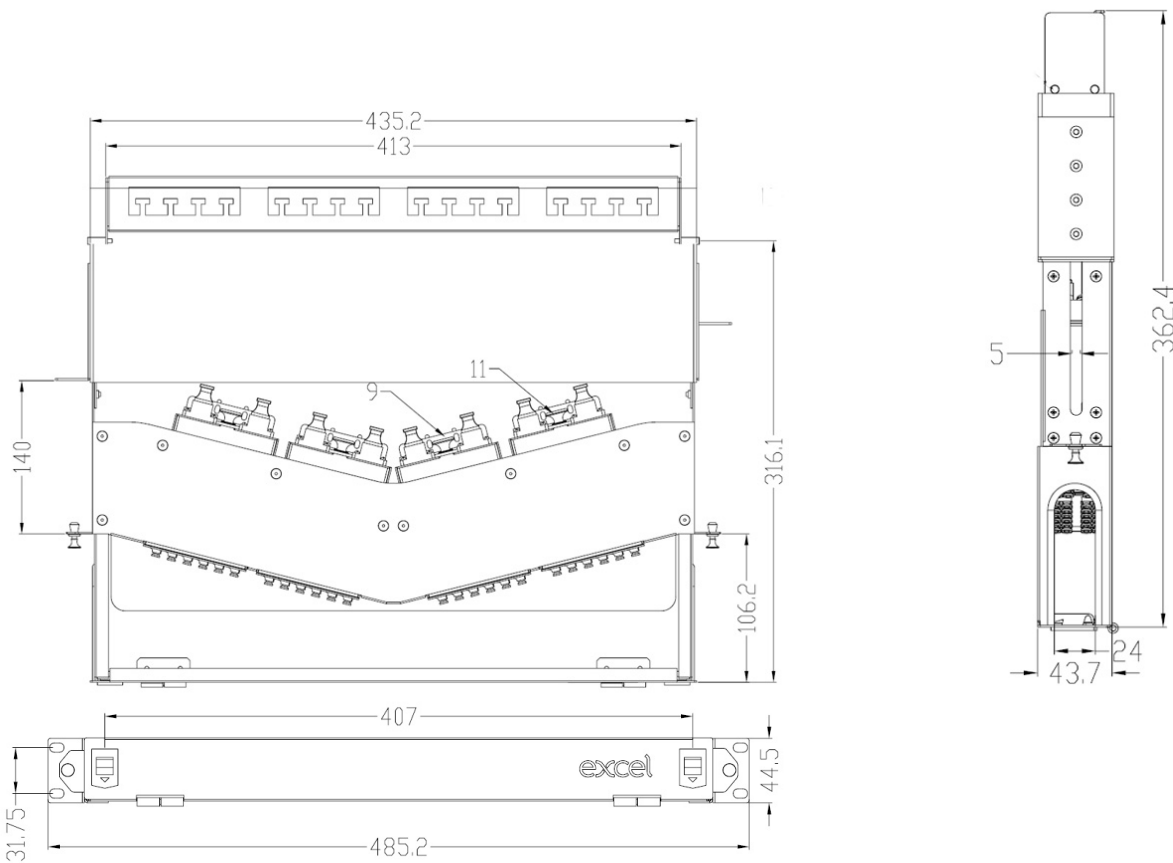

Key

Item	Description
1.	Drop down front panel
2.	Release latch
3.	Patch cord channel
4.	Panel slide fixing
5.	19" Mounting
6.	Trunk cable tie down postions
7.	LC Cassette

Product Details

Item	Value
Panel Capacity	4 Cassettes
Width	19" (482.5 mm)
Height	1U
Depth (Overall)	362.4 mm
Depth (Rear of 19" Mounting)	256.2 mm
Depth (Forward of 19" Mounting)	106.2 mm
Pull forward distance	140 mm
Construction	Painted Steel
Colour	RAL 9005 Black

Part Number Information

Part No.	Description
208-004	Excelerator 1U High Density Angled MTP Patch Panel (Unloaded)

Compatible Excelerator LC Cassettes

Part No.	Description
208-011	Excelerator High Density OM3 MTP Fibre Cassette 6 Duplex LC (12 Core)
208-012	Excelerator High Density OM3 MTP Fibre Cassette 12 Duplex LC (24 Core)
208-013	Excelerator High Density OM4 MTP Fibre Cassette 6 Duplex LC (12 Core)
208-014	Excelerator High Density OM4 MTP Fibre Cassette 12 Duplex LC (24 Core)
208-015	Excelerator High Density OS2 MTP Fibre Cassette 6 Duplex LC (12 Core)
208-016	Excelerator High Density OS2 MTP Fibre Cassette 12 Duplex LC (24 Core)

Please check the Excelerator High Density MTP Fibre Optic Specification Sheet to ensure that the correct versions of the product is ordered to achieve the channel configuration desired.

System Warranty

The Excel System Warranty provides a 25-year product and applications assurance of compliance with the industry performance standard appropriate to the class of cabling installed. The warranty may be applied for by an accredited Excel Partner who has designed, supplied and installed the said system.
