

✕ Cable entry to rack via brush strips on sides

✕ Increases rack height by 100mm

✕ Supplied disassembled

## Features

- Cable entry to rack via brush strips on sides
- Supplied disassembled
- Colour matched with Environ racks
- Increases rack height by 100mm
- All rack foot prints available

## Product Overview

The Excel Environ Rack Plinths raise the racks by 100 mm to improve cable entry options from the floor level. Manufactured from colour matched the Environ Plinths are supplied disassembled for easy handling and installation on site. The sides are removeable to allow leveling with the rack fitted and feature brush strips to form around incoming cables. All footprint sizes are available with two versions of the plinth - one for the CR & ER racks and the other specifically for the SR series.

## CR and ER Racks

Description	Grey White	Black
600 mm Wide x 600 mm Deep	542-966-GE	542-966-BK
